OUR MATERIALS

M-TEX

M-Tex is a leather like materials that is made by converting coffee skin waste.

C-FLEX

C-Flex is a Leather replacement made from coffee grounds. Thinker with more unique structures.

C-FOAM

C-Foam is a flexibleboard. It's soft and strong and also can act as an insulator. Cork replacement made from coffee Silverskin.

KALPA

KALPA is made from recycled coffee waste sourced from local farmers in Indonesia, making it an excellent choice for those who want to bring a touch of nature to their space.
